

Shield

Product # 123

Water-Based Stone and Concrete Impregnator

Shield is a water-based, high-grade, one-step, multi-purpose impregnating sealer. It provides exceptional protection against water, dirt, grease, and oil, and is solvent free and highly vapor permeable. Free of silicone and waxes, Shield bonds with the stone making it highly suitable for food courts, food service areas and kitchens. For interior and exterior use on most natural and man-made surfaces, and on most surface finishes.
