DESCRIPTION

This product is a mild abrasive cleanser designed for tough cleaning jobs. Use it to remove stubborn stains and soils from showers, countertops, bathtubs, tile walls, and floors. It will remove spots, scuffs, water deposits, soap scum and grease accumulations with just a light rubbing action.

Recommended for cleaning tough-to-remove soils and stains in schools, manufacturing plants, hotels, motels, hospitals, nursing homes and institutional settings.

It is safe to use on all kinds of surfaces, including glazed porcelain, glazed ceramic, chrome, Formica®, fiberglass and other hard, inanimate, non-porous surfaces that are not easily scratched or harmed by mild abrasive cleaners.

DIRECTIONS

Squeeze directly on surface or on wet cloth, sponge or brush. Loosen soil with rubbing action. Rinse. For a bright shine, polish with a soft, dry cloth.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
