Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This powerful laundry detergent utilizes the newest developments in detergent chemistry to provide the best cleaning available. The super-concentrated formula contains surfactants and stain removers to clean tough grease and soil, plus the finest optical brighteners and fabric softeners. Special water-softening ingredients ensure the best performance even in very hard water. It leaves laundry soft with a "like new" brightness and a pleasant scent.

DIRECTIONS**FOR TOP LOADING WASHERS:**

Use 1/4 cup for a 10-12 pound load of normally soiled clothes. Front loading washers hold smaller loads and may require less detergent.

FOR INSTITUTIONAL WASHING MACHINES:

Use 1/4 cup per 10 pounds of laundry. Heavily-soiled clothing may require slightly larger amounts of detergent.

On difficult stains and exceptionally soiled garments, rub a small amount of detergent directly on soiled area before washing.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
