

AUTOMATIC LIQUID

DESCRIPTION

The powerful cleaning agents in **AUTOMATIC LIQUID** makes glassware perfectly clean and film-free every time. This low foam formula is designed for use in carousel, conveyor and other spray wash automatic glass washing machines.

AUTOMATIC LIQUID is ideal for use in kitchen washing machines to clean china, plastic, glass and stainless steel trays, kitchen and tableware. It contains special corrosion inhibitors to help prolong equipment life and reduce maintenance.

DIRECTIONS

For use in carousel, conveyor type and spray wash automatic glass washers. Not intended for hand washing

Check the manual of the washing machine to determine the amount of water used for the wash cycle. Use the machine's detergent metering device or manually add 1/4 to 1/2 ounce of **AUTOMATIC LIQUID**.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*
