

E2 FOAMING HAND SOAP

Product # 271

Antibacterial & antimicrobial

This liquid hand soap contains quaternary ammonia compounds to offer one-step sanitizing and cleansing capabilities. It effectively kills germs and bacteria and prevents cross-contamination, while an emollient is added to leave hands moisturized.

Features and Benefits

- Unique combination of ingredients gently cleans hands.
- Great for use by food processing personnel to clean hands.
- To use as a foaming soap purchase the Foam Soap Dispenser (#9142) with separate refill bottle (Product #9143)
- May also be used in the Wall Mount Dispenser (product #9126).
