

# Non-Selective Herbicide #1

Product # 315

*For yearlong residual control*

This is a specially formulated, non-selective herbicide that offers total kill control over a wide variety of annual and perennial weeds and grasses. It also offers residual action, making it the perfect herbicide for long-lasting weed control or as a semi-soil sterilant.

## Non-Selective Herbicide With Yearlong Residual control:

- Non-cropland areas
- Around buildings
- Industrial sites
- Railroad rights-of-way
- Loading ramps
- Parking lots
- Fence rows
- Storage yards
- Tank farms

Note: Not for use in any recreational areas or in or around homes

## Features and Benefits

- Recommended for use only on non-cropland area.
- The degree of control and duration depends on the amount of herbicide applied, soil type, rainfall and other conditions.
- This product is also highly recommended for municipal weed control and as a semi soil sterilant.
