NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This high-alkaline cleaner is formulated to clean and degrease without harsh solvents, butyl or alcohols. Suitable for use on all surfaces not harmed by water, it may be used in automatic scrubbers, pressure washers, hot tanks and spray cleaners. Its properties make it ideal for cleaning all protective rubber clothing, diving suits, respirators, masks, and facepieces. Leaves behind a pleasant citrus fragrance.

DIRECTIONS

Use a 1:20 dilution (6 ounces per gallon) for common cleaning chores, including hard surfaces such as floors, walls, appliances and painted surfaces. Rinse surfaces with clean water.

Heavy grease and grime deposits may require a more concentrated dilution of 1:10 or 1:5. Warm or hot water accelerates the cleaning action, allowing higher dilutions for light cleaning chores.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
