NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This cleaner and degreaser has an incredible zero rating in the three NFPA® categories of flammability, health and reactivity. It is so safe it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass. While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. It also leaves surfaces smelling clean with a fresh, pleasant scent.

DIRECTIONS

For heavy-duty cleaning and degreasing, spray onto surface and wipe clean.

For light cleaning, dilute 1 part cleaner with 8 parts cold water.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.

*For industrial and commercial use only.
