INDUSTRIAL CLEANERS and DEGREASERS

ULTRA ORANGE SQUIRT CONCENTRATE

Powerful Non-Butyl Cleaner

• 10% D-LIMONENE • NSF APPROVED

DESCRIPTION

This unique product is designed to be easily blended into a concentrated product that can be further diluted, or used as a ready-to-use non-butyl cleaner. The natural citrus extract, d-Limonene, provides superior grease cutting action to perform even under the most difficult conditions.

DIRECTIONS

TO FORMULATE A READY TO USE CLEANER: Dilute 1 gallon with 20 gallons of softened water. Blend well and backage immediately. To use, spray on surface, then rinse with clean water. For tough stains, allow to work for 2-3 minutes before rinsing.

TO FORMULATE A CONCENTRATED CLEANER: Dilute 1 gallon with 2 gallons of softened water. Blend well and package immediately. For general cleaning, dilute 2-4 ounces of concentrate in a gallon of water and spray and wipe. For difficult stains, use 10-12 ounces in a gallon of water.

Store in a well-ventilated place. Keep cool. Store locked up.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)
