INDUSTRIAL CLEANERS and DEGREASERS

d-SOLV LS

Strips Away Grease and Grime

- CONTAINS NO HARSH SOLVENTS
- PLEASANT LIME SCENT CREATES ODOR BARRIER
 - RED DYE INDICATOR

DESCRIPTION: This floating lift station degreaser uses powerful d-limonene alternative ingredients. The powerful solvent cleaner strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. It deodorizes as it cleans and leaves the clean scent of fresh lime.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The powerful ingredients work quickly and effectively without the environmental hazards or disruption of biological treatment processes associated with traditional solvents.

DIRECTIONS: Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.

Store in a well-ventilated place. Keep cool. Store locked up.

DISPOSAL: Dispose of contents/container to comply with local/regional/national/international regulations.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)
