DESCRIPTION: d-SOLV Clear degreaser combines the latest solvent technology with other key ingredients to make a multi-purpose degreaser that has the environmental attributes you want with the degreasing power you need. d-SOLV Clear allows you to tackle all of your industrial degreasing needs with one convenient product that's easy on the environment and personnel, but tough on grease.

DIRECTIONS: Test in an inconspicuous area before use.

Parts washers: Use undiluted.

Tools and Parts: Dip tools and parts into full-strength solvent. Soak until grease and grime are loosened. Remove and rinse with water.

For cleaning surface: Spray or apply with rag undiluted product onto surface. Allow to work until deposits are loosened. Rinse surfaces with water to flush loosened deposits.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
