Multi-Functional Restroom Cleaner

- CLEANS, DEODORIZES AND REDUCES ORGANIC WASTE

**KEEP OUT OF REACH OF CHILDREN****NET CONTENTS:** One Gallon (128 fl. oz.)Manufactured By: Total Solutions® • 1-800-743-6417  
PO Box 240014 • Milwaukee, WI 53224 • athea.com**DESCRIPTION**

This multi-functional restroom cleaner has been formulated for the daily maintenance of most bathroom areas. It is a 100% biodegradable cleaner, making it environmentally responsible and safe to use on most bathroom surfaces.

This product is designed to accomplish three important aspects of any cleaning job. First, the detergents and light descaling agents cut through filmy residue and remove hard water stains, uric acid and other restroom soils. Second, the deodorizing, cool minty fragrance found in this product eliminates stale odors associated with bathrooms, leaving a fresh, clean scent. Finally, live bacteria cultures and enzymes eat away at organic waste matter to keep bathroom plumbing clear of build-up.
