

FUEL AID PLUS

Product # 649

Multifunctional fuel additive

This premium additive helps all types of engines run clean and more efficient. Special detergents remove deposits and clogs from fuel-injector systems and clean away the gum and corrosion deposits from fuel tanks and carburetors. It also lubricates cylinder walls and eliminates severe wear of fuel-delivery systems. It works with all vehicles, including those with catalytic converters and computer-controlled engines.

Effective Against

- Deposits and clogs
- Gums and varnish
- Corrosion

Features and Benefits

- Keeps gasoline engines running cleaner and more efficiently.
- Extends engine life.
- Reduces intake valve, carburetor, and port fuel injector deposits.
- Provides upper cylinder lubrication under cold starting conditions.
- Reduces emissions
- Rust & corrosion protection for fuel system
- Good water removal

Properties

Appearance.....	Amber liquid
Fragrance.....	Solvent
Specific gravity.....	0.79
Flash point.....	>147° F
Stability.....	1 year
Solubility.....	Insoluble in water

Directions

 Complete directions on product label

Use 12 ounces for every 20 gallons of gasoline. In bulk storage tanks, use 2-3 gallons per 1,000 gallons of gasoline fuel.

Active Ingredients

	CAS Number
Hydrotreated Light Alkanes.....	64742-47-8
C9-15 Heavy Aromatic Hydrocarbons.....	64742-95-6
Butoxyethanol.....	111-76-2
Polyolefin alkyl phenol alkyl amine (2).....	Proprietary
Trimethylbenzene.....	95-63-6

Safety

Caution: Combustible liquid. May be fatal if swallowed and enters airways. May cause respiratory irritation. May cause drowsiness or dizziness. Suspected of causing cancer. Keep out of the reach of children.
