

Multi-Purpose Hand Towel

Product # 1539

Industrial Degreaser for Hands, Tools, Surfaces

Multi-Purpose Hand Towels are pre-moistened with a high-powered, multi-purpose, grease cutting formula that lifts away grease, tar, adhesives, wax, ink, paint, and lubricants from hands and other non-porous surfaces. The superior grease-grabbing performance is ideal for use on tools, equipment, and hands. Natural oils and emollient are safe for hands and skin, and will not cause drying, unlike similar products. Non-scratching towel is abrasive on one side and smooth on the other.

NSF C1 Authorized.
