

Facility Wipes

Product #1574

Clean and Deodorize Fitness Equipment

These wipes are specially formulated to clean and deodorize fitness equipment. Formula will not damage surfaces. Pre-moistened wipe format eliminates risk of surface damage from overspray from using spray bottles and rags. Biodegradable fabric supports facilities' green initiatives.

Ideal for Use In

- Stand-alone gyms
- School athletic centers
- Hospital and long term care rehab centers
- Fire houses

Features and Benefits

- Cleans and deodorizes quickly, no dwell time required
- Eliminates risk of damage from overspray from using spray bottles and rags
- Wall mounted, center-pull dispenser allows for convenient dispensing in high-traffic areas
- Large, 800-ct refill minimizes labor spent on change-overs
- Biodegradable, cellulose fabric supports facilities' green initiatives

Optional Dispensers

- #9125: Large center-pull dispenser
- #9135: Stainless steel dispenser with integrated trash can
