BANISH™

Non-Selective Weed Killer Concentrate

Banish is a water-based, non-selective, total kill herbicide with residual control. It is strong enough to eliminate hard-to-kill weeds, and can be used for special jobs. For use in areas where you would want a non-selective herbicide with up to year-long residual control: non-cropland areas, railroad rights-of-way, fence rows, around buildings, loading ramps, storage yards, industrial sites, parking lots, tank farms and more.

PRODUCT FEATURES

- Use to control annuals and perennials
- Long-lasting residual action, soil sterilant
- Economical, highly dilutable formula
- Recommended for use only on non-cropland area
- The degree of control and duration depends on the amount of herbicide applied, soil type rainfall and other conditions
- Low odor formula

APPLICATIONS

- Railroads
- Tank Farms
- Pipeline Right-of-ways
- Highways & Freeways
- Lumber Yards

PRODUCT SPECIFICATIONS

- Liquid Formula
- Product Sizes: Drums, Pails, Gallons
