ENVIRO-TERRA TOWELS

Safer Acid Replacement Towel

Enviro-Terra Towels were developed to safely remove mineral-based stains from a variety of surfaces. The dual sided towel features a textured, yet non-scratching, side for stubborn deposits and a smooth side for smaller stains. These wipes feature the heavy duty cleaning power of a low pH acid, yet are safe and mild to the skin like dish soap.

PRODUCT FEATURES

- Removes rust, scale, lime, mold stains, grease and beerstone from virtually any surface
- As mild as dish soap without compromising cleaning performance
- Non-toxic, non-caustic, non-fuming and biodegradable formula
