SURFACE SANITIZING WIPES

No-rinse Sanitizing for Food and Non-Food Surfaces

Surface Sanitizing Wipes are non-woven and pre-saturated with a versatile broad-spectrum sanitizer that has multiple uses on a wide variety of surfaces. This product was tested in accordance with AOAC methods and meets EPA requirements for sanitizing previously cleaned, food-contact surfaces. Surface Sanitizing Wipes sanitize hard non-porous surfaces in such locations as food handling and processing areas, convenience stores, restaurants, health clubs, grocery stores and kitchens.
