## TRIPLE ZERO CONCENTRATE

*Safe All-Purpose Industrial Degreaser*

This all-purpose industrial cleaner-degreaser has an incredible zero rating in the three NFPA categories of flammability, health, and reactivity when diluted. It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. Leaves behind a fresh, pleasant fragrance.

Contains corrosion inhibitors to prevent damage to metal surfaces.
