

WASTEWATER & SEWAGE TREATMENT

#108 SEWER TRACING DYE FLUORESCENT YELLOW-GREEN COLOR

- Highly visible and distinctive color can be measured using "black" ultraviolet light or precisely measured with a fluorometer
- Concentrated formula is non-toxic and biodegradable
- Excellent for finding leaks and conducting time flow studies
- Can be used when there is no sun in low light conditions

#365 SEWER ANTI-FOAM CONCENTRATE PREVENTS FOAM FROM OCCURRING

- Non-polluting, water-based formula contains special silicone defoaming agents for fast knockdown
- Reduces sewage water surface tension to levels too low to support formation of foam
- Residual anti-foam ingredients prevent foam from returning
- Can be dripped into digesters or directly poured into waste streams immediately prior to foam accumulation

#371 LEMON SEWER SWEETENER WATER-BASED ODOR CONTROLLER

- Powerful fragrance does not affect bacterial action
- Water-based formula

#375 CHERRY SEWER SWEETENER WATER-BASED ODOR CONTROLLER

- Powerful fragrance does not affect bacterial action
- Water-based formula

#380 SILT & SAND FLUSH KEEPS SEWER LINES FREE-FLOWING

- A non-ionic polymer dispersant designed to break up and disperse inorganic deposits that may accumulate in sewers
- Use with a regular cleaning and flushing program
- Specially designed for mud, dirt and silt

#381 FLOATING LIFT STATION DEGREASER 100% d-LIMONENE, WITH RED INDICATOR

- Floats on the surface so it will rise and fall with the level of the wastewater
- Dissolves heavy grease and fat accumulations on lift station walls
- Creates an odor barrier and leaves a pleasant citrus scent
- Red color indicator lets you know when to add more
- Will not harm bacterial action in sewage treatment plants

#384 SETTLING AGENT CONCENTRATE CATIONIC POLYMER FLOCCULENT

- Designed for fast, efficient clarification of municipal wastewater
- Reduces operating costs
- Non-toxic, biodegradable product

#492 D-SOLV LS FLOATING LIFT STATION DEGREASER WITH RED INDICATOR

- Floats on the surface so it will rise and fall with the level of the wastewater
- Dissolves heavy grease and fat accumulations on lift station walls
- Creates an odor barrier and leaves a pleasant lime fragrance
- Red color indicator lets you know when to add more
- Will not harm bacterial action in sewage treatment plants

#510 DIGESTASE™ SDE 340 SEWAGE DIGESTANT

- Specifically formulated for use in sewers
- Attacks, liquefies and removes grease, fat and oil faster
- Increases system capacity and efficiency

#522 BIO-FLOW BLOCK™ SLOW-DISSOLVING BACTERIAL BLOCK

- Allows for 24 hour continuous treatment of water, not just periodic dosage
- Greatly reduces labor time needed for dosage maintenance
- Eliminates need for metering pump – no initial or maintenance cost
- Eliminates need for personnel to dose other types of treatments daily or weekly
- Improves operational efficiency

#701 PURE EZ LIFT™ 95% SOY/5% d-LIMONENE FLOATING LIFT STATION DEGREASER

- 5% d-Limonene, 95% soy
- Floats on the surface so it will rise and fall with the level of the wastewater
- Dissolves heavy grease and fat accumulations on lift station walls
- Creates an odor absorbing barrier and leaves a pleasant citrus scent
- Green color indicator lets you know when to add more
- 100% natural biodegradable formula will not interfere with bacteria

DRAIN OPENERS AND MAINTAINERS

#253 ENVIRO-CAUSTIC™ DRAIN OPENER

DRAIN OPENER

- Thickened formula sinks and clings to the point of obstruction
- Odorless, biodegradable, non-flammable
- NSF Certified L1

NSF

#255 DRAIN AWAY LIQUID CAUSTIC DRAIN OPENER

- Fast-acting, odorless and convenient to use
- Opens drains and sewers by dissolving, liquefying and loosening clogs
- Formula is heavier than water, allowing it to sink through water to open clogs
- NSF Certified L1

NSF

#379 ORANGE DRAIN CLEANER 50% d-LIMONENE, DISSOLVES DEPOSITS, FRESHENS

- Formulated with a blend of 50% d-Limonene, grease-stripping solvents and emulsifying agents
- Excellent alternative to hazardous acid or caustic drain cleaners
- Will not disrupt bacterial action
- Regular applications keep drains clog-free and fresh-smelling
- NSF Certified C1

NSF

#528 BIO-ACTION® THICK DRAIN OPENER AND MAINTAINER

- Specifically formulated to work in drains
- Opens drains clogged by organic material
- Regular use keeps drains free-flowing
- Contains enzymes to enhance bacterial growth
- Thickened formula pours through standing water to the site of the blockage
- Safe to use in all drains
- NSF Certified L2

NSF

#618 SUPER HIGH HEAT™ GRANULAR CAUSTIC WITH A HIGHER CONCENTRATION OF ACTIVE INGREDIENTS

- Contains extra caustic and heat-generating aluminum needles to generate greater heat for higher performance
- Releases tremendous amounts of heat and turbulence to liquefy blockages in drains and sewers for the fastest action available in a non-acid drain opener
- Loosens and dissolves greases and other organic material
- NSF Certified L1

NSF
